Dear [Name Redacted]

Freedom of Information – Request for Information

With regards to your recent enquiry for information held by the Authority under the provisions of the Freedom of Information Act. Please find the information you requested below with reference in the box to your original enquiry for clarity where multiple answers are required.

Details of Your Request

I would like to request details of all contractors working for the council on both public and private sector homes for bathroom adaptations. I would also like to ask if any manufacturer is specified for the following materials- shower doors, trays, wet floor formers and shower waste pumps

The response to your request as follows:

For our own housing stock we currently use Wates under a measured term contract. We don't have a specific materials supplier unless an Occupational Therapist specifically requests a specialist item. Wates are responsible for sourcing their own materials.

Private Sector - no information held. The reason being, while we have a mandatory duty to provide grants, the contractors are not employed by Tamworth Borough Council.
