The time and date must be set to the correct time relating to BST/GMT.

A competent trained person in the use of and operation of the CCTV must be in attendance at the premises at all times that licensable activities take place and be able to fully operate the CCTV system to be able to down load at the time of the visit in a recognised format any information requested by the Police or Responsible Authority.

All CCTV images must be retained for a period of not less than 31 days and any evidential incidents must be down loaded and stored in a secure system until such time as collected by an appropriate authority.

Clear signage must be displayed at all entrance and exits indicating that CCTV is in operation.

An incident register of all occurrences and ejections from the premises must be maintained at the premises and any details of any incidents of crime or disorder or misuse of drugs offences must be recorded. The register must be produced and made available at the time of the visit for inspection upon request by any responsible authority.

All persons involved in the sale of alcohol who are not the holder of a Personal Licence to sell alcohol must receive initial and regular 12 monthly refresher training by the Designated Premises Supervisor or training provider with regards to the law in relation to the sale of alcohol. Such training must be recorded and up to date training records of all such persons must be maintained at the premises and produced and made available for inspection at the time of the visit by a responsible authority. There must be twelve months records retained.

Both initial and subsequent refresher training in relation to the sale of age restricted products must contain a written test to be undertaken by the staff

c) Public safety

No persons will be permitted to take any opened vessels containing any alcoholic/non-alcoholic drinks from the boundaries of the premises.

d) The prevention of public nuisance

A notice advising customers to leave the premises quietly and respect the needs of residents must be displayed at each of the exits of the premises.

e) The protection of children from harm

A Challenge 25 policy must be adopted and enforced at the premise where all persons who appear to be under the age of 25 must be challenged for acceptable identification to prove they are over the age of 18 prior to the purchase of alcohol.

The only acceptable forms of identification must be a valid photo driving licence, valid passport or a valid PASS approved proof of age card.

Challenge 25 posters must be displayed at all entrances to the premise, all areas where alcohol is displayed and at the cash till payment area.

Posters must be displayed prominently and in sight of customers & staffs.

At each till there must be placed a date of birth check card which must be kept updated at all times with the current date at which a person must be born to be aged 18 or over.

A refusals register with details of all refusals must be maintained at the premise. The register must contain details of the staff member refusing the sale and must

be checked on a 2 weekly basis by the Designated Premises Supervisor and signed and dated by the Designated Premises Supervisor.

The refusals register or when on the till a print out of refusals must be produced and made available for inspection at the time of the visit by any Responsible Authority.

Prior to selling alcohol, all persons involved in the sale of alcohol & age restricted products who are not the holder of a Personal Licence must receive initial and regular 6 monthly refresher training by the Designated Premises Supervisor or external training provider with regards to the law in relation to the sale of alcohol & age restricted products and responsible retailing. Such training must be recorded and up to date training records of all such persons must be maintained at the premise and produced and made available for inspection at the time of the visit by any Responsible Authority. Records for each person must be retained for a minimum of 12 months.

Home Office online right to work checking service

As an alternative to providing a copy of documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service applicants should include in this application their 9-digit code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
