## **Submission to the Polling Station Review 2019**

Dear Mr Barratt,

Please find my groups proposals as part of the 2019 polling station review.

We have discussed the issue at great length and base many of these suggestions in feedback from residents. We hope you can give these suggestions suitable deliberation.

If you need any further clarification on these suggestions, please do not hesitate to contact me.

Yours sincerely,

**Cllr Daniel Cook**  
**Leader of the Conservative Group**

### **Mercian Ward**

No Changes to polling districts and polling stations.

### **Castle Ward**

CA1 - Oxbridge Estate/Lichfield Road

The Dunstall Development means that Castle Ward's CA1 polling district requires changes to reflect the new development. The existing polling district should be rearranged as follows into three new polling districts.

The river should act as a boundary dividing CA1 between the north and south side

The Oxbridge Estate/neighbouring properties in the Castle Ward should be its own polling district and provided with a closer polling station, this should be the station for ME5 (Buckingham Road). It has better parking and within walking distance, unlike the current polling station at Sunset Close.

The Dunstall Lane Development should have its own polling district and the polling station located in the school.

The remaining of the polling district (including the east of Tame Drive, and the residents properties should be a polling district still voting at sunset close remaining unchanged (Bitterscote Drive).

The current arrangements are shown as appendix E and our proposals as appendix F.

No changes

### **Glascote Ward**

#### **Portable polling station for GL1**

This estate should be served by a dedicated portable polling station on green. This is a central location for the estate. The current location is not central to the population of the polling district.

18 July 2019

Dear *Andrew*,

Following the proposals for the Polling Station Review I have taken the time to consult with the Council Leader, Danny Cook as well as some of his colleagues. I completely support all of his and the Conservative groups suggestions which have been made in feedback from residents in the Tamworth area.

Within the Belgrave and Wilnecote Ward especially, there has been suitable expansions of polling areas allowing them to reflect the local geographical boundaries, due to them being better aligned within the area.

The make-up of new polling districts within the Amington and Castle Ward would make them more accessible for constituents to vote, as it has improved parking facilities which are within walking distance, unlike their current positioning.

Portable Polling Stations on Chiltern Road and in the Glascote Ward will allow them to be recentralised onto the estate to allow the population of the polling district to vote locally, without having them travel too far to do so.

I once again thank you for writing to me concerning this matter, and I look forward to hearing from you once the Polling Station Review has been completed. If you need any further support please feel free to contact me.

Yours Sincerely,

Christopher Pincher  
Member of Parliament for Tamworth

*I think these proposals work well.*
