3. **Enclosures** (see Index attached to this document)

**Timetable**

A copy of the timetable is enclosed and particular attention is drawn to the times and dates it contains. These will be adhered to absolutely.

**Nomination Papers/Candidate's Consent to Nomination/Registration of Political Parties**

This should be completed in accordance with the notes contained in it. If you make an error during completion it is in order to make an amendment and initial it. Amendments should **not** however be made to the candidate's details once the paper has been subscribed. The paper should be completed with reference to the notes contained on it. Please pay particular attention to the recent legislation on commonly used names as detailed in the notes and also in the guidance from the Electoral Commission.

I will only accept the original completed paper. Facsimile transmission or a photocopy of the paper will **not** be accepted.

The candidate's consent to nomination contains legislative extracts on the reverse of the form. These **must** be included with the candidate's consent to nomination. Please note that anyone can witness the consent because they are only witnessing a signature.

Along with the nomination form, consent to nomination all candidates must also complete the home address form. If you are standing as a party candidate you will also need to submit a certificate authorising the use of the party name and emblem. Please note the requirement for your date of birth.

**Appointment of Election Agent**

This part of the form should be completed and be delivered at the same time as the nomination paper. Any candidate **not** completing this section (and delivering) will be deemed to be their own Agent.

Your attention is drawn to this section and a reminder on the Registration of Political Parties Act 1998, as amended by the Political Parties, Elections and Referendums Act 2000, on the use of description and a registered party emblem. You are advised to consult any political party you may be a member of.

**Requirement for Secrecy – Extract from Section 66 of the Representation of the People Act 1983, as amended**

A copy of the above is enclosed. People who work on behalf of a candidate at election time and those who accompany or represent the candidate at a polling station or count need to be aware of requirement for secrecy as set out in this extract. **Please photocopy as necessary.**

**Register of Electors**

As a candidate you are entitled to one free copy of the current electoral register for the constituency you are standing in. A copy of which can be supplied upon written request. The register is the one in force from 1 December 2023, as updated for **1 June 2024**. However, under new regulations the deadline for registering in time for this election is not until **Tuesday 18 June**. Any rolling registration applications received up to this deadline will be included in the register for the polling station as long as they pass Individual Electoral Registration verification.

### **Candidate's Guide**

A copy of the Electoral Commissions, "Guidance for Candidates & Agents" can be found online at: [Guidance for Candidates and Agents at UK Parliamentary general elections in Great Britain | Electoral Commission](#)

### **Display of Election Posters – Codes of Practice**

The Code of Practice is enclosed in regard to where elections posters can legally be displayed. Also enclosed is the County Council's letter about **NOT** displaying any election material in or on the public highway, including street furniture such as lamp posts. **Please ensure that all your helpers associated with the election observe these rules.**

### **Role of Electors**

Please refer to the note about tellers at polling stations and guidance within the Electoral Commission's Guide.

### **Method of Election**

If the number of valid nominations received exceeds the number of seats vacant, election will be by polling on Thursday 4 July 2024.

If the number of valid nominations is equal to the number of seats vacant, then all who are validly nominated will be elected unopposed.

**The remainder of these notes deal with election by polling.**

### **Poll Cards**

If the election is contested the issue of poll cards is mandatory. Poll cards will be issued before postal/proxy vote deadlines, reminding the public of these dates. Cards will be posted using Royal Mail on Tuesday 11 June.

### **Postal Voting**

Please note that the relevant Electoral Registration Officer has to capture personal identifiers i.e., signature and date of birth in a standard format for all postal voters. Consequently, you are advised to pass all requests for postal votes to the relevant Elections Office at either Tamworth Borough Council or Lichfield District Council for them to print off a personalised application form in the desired format to then post directly to the elector.

You can advise electors that they can apply for an postal vote and some proxy votes online.

All postal voters will be sent at the same time a postal poll card. It is a legal requirement to send this postal poll card which reminds the elector of this facility, the proposed date, the ballot papers being sent and how to cancel their postal vote if they wish to do so.

### **Polling Stations**

I enclose a list of the 68 polling stations I have booked for this election.

## **4. Delivery of Nomination Papers**

The earliest date for delivery is **Tuesday 4 June 2024**. The papers should be delivered to the address shown on the Notice of Election in accordance with the timetable and before the last time for delivery i.e. **4pm on Friday 7 June 2024**. This is an absolute deadline, and any papers received after this, even by a few minutes will be invalid.

An informal check of nomination paper details will be carried out immediately prior to formal submission and this will take place whilst you wait. It is advised that an appointment is arranged in order to complete this process. A formal confirmation of validity letter will follow to the candidate.

It is in your own interests to submit your paper as early as possible in order to safeguard your nomination in the event that errors are discovered on your paper at the informal checking stage.

The Combined Statement of Persons Nominated and Notice of Poll will be published as soon as possible following the close of nominations. This will be displayed at the Council Offices and be posted along with other articles on the Council's website [www.tamworth.gov.uk/elections-2024](http://www.tamworth.gov.uk/elections-2024)

**Your Ref:**

**Date:** As issued

Dear Sir or Madam

**UK Parliamentary General Election – Thursday 4 July 2024**  
**Posting of Election/Campaign Materials on Street Lighting/Street Furniture**

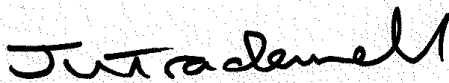

As campaigning begins, I'm writing to formally draw your attention to the County Council's policy in relation to the placing of election/campaign posters and material on County Council owned land and Property including highway verges, street lighting columns and signs.

As the Highway Authority, the County Council does not allow the use of its land, property and highways land and structures for the display of election/campaign posters or materials. In particular the Council does not give any permission to any person or body to place election/campaign posters, or other election/campaign material, on street lighting columns, traffic signs and other street furniture or otherwise place such material within highway limits.

In recent years the County Council has experienced occasional disregard for this policy and will therefore be closely monitoring activity. Any material displayed without permission is likely to be removed and the relevant Election Agent will be charged with the cost of that removal.

I trust that you appreciate the County Council's position on this matter and thank you in anticipation of your co-operation.

Yours faithfully

John Tradewell

Deputy Chief Executive and Director for Corporate Services
