Dear [name redacted]

Freedom of Information – Request for Information

With regards to your recent enquiry for information held by the Authority under the provisions of the Freedom of Information Act. Please find the information you requested below with reference in the box to your original enquiry for clarity where multiple answers are required.

Details of Your Request

could you

please provide me with a complete and up-to-date list of all business (non-residential) property rates data for your local authority, and including the following fields:

- Billing Authority Code*
- Firm's Trading Name (i.e. property occupant)*
- Full Property Address (Number, Street, Postal Code, Town)*
- Occupied / Vacant*
- Date of Occupation / Vacancy*
- Actual annual rates charged (in Pounds)*

The response to your request as follows:

Please see attached spreadsheet.

The rates charged is net of any reliefs but is actual charge for that account in 15/16 so if the liability starts after 01/04/15 you need to pro rata the figure upwards to reach the annual charge.
