Dear Sir/Madam

**Freedom of Information Request – Public Rights of Way**

I refer to the upcoming changes to the CON29 which are to be implemented by July 2016 that will now include a section on Public Rights of Way.

Can you please advise how the Council intends to provide access to information to answer the following questions:-

- Is any public right of way which abuts on, or crosses the property, shown in a definitive map or revised definitive map?
- Are there any pending applications to record a public right of way that abuts, or crosses the property not yet implemented or shown on a definitive map?
- Are there any legal orders to stop up, divert, alter or create a public right of way which abuts, or crosses the property not yet implemented or shown on a definitive map?

Please also provide contact details of the Department that will be responsible for providing the above information. If the above information is to be made available online, please provide the link to the relevant section on the Council website.

Thank you for your assistance and I look forward to hearing from you at your earliest convenience.

Yours faithfully
