Dear [name redacted]

#### **Freedom of Information Act – No Information Found**

Thank you for your letter that we received on 17<sup>th</sup> March 2017 where you requested information relating to Brownfield Sites register and all local Government held assets.

I am writing to advise you that, following a search of our paper and electronic records, I have established that the criteria you set in your request resulted in no information found on our systems, you can also interpret this as a nil response where applicable.

**The reason being: The requirement to hold a register of 'brownfield sites' is currently being piloted and Tamworth is not a pilot authority.**  
**There is therefore no legislative requirement to have a register in place.**  
**It is anticipated that the Government will publish secondary legislation as well as guidance to local authorities for the preparation of Brownfield Registers. Once this legislation is enacted, the Council will formally prepare a register.**

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Project and Information CoOrdinator,  
Tamworth Borough Council,  
Marmion House,  
Lichfield Street,  
Tamworth,  
B79 7BZ

Yours Sincerely

Nicola Hesketh
