Sprinkler System

I would just like to say a big thank you to you all for your patience, and hope you did not incur too much inconvenience while Lovell were fitting the sprinkler system. It is all up and running and will work effectively, however if you have or see a fire still phone the emergency services 999.

Plants

Thanks to Keith (resident), Lovell, Street Scene, Estates Cleaner Dawn, Housing Officer Claire & Sonja from Tamworth Borough Council for all their hard work. The plants outside the front and around the outside look amazing and will look even better once they begin to grow.

Christmas 2019
Issue 7

Raffle

You would have all received a raffle ticket in your Christmas cards, I guess you're wondering why? Several small prizes have been donated from Alison Coles (Lovell), Dawn the Estates Cleaner, Claire your housing officer and myself Maria. Therefore I thought it an appropriate time of year to have a bit of fun, a raffle would be a fair way to distribute these small prizes.
