## **Health & Safety Guide**

Dear Sir/Madam,

Following national press coverage, you may be aware of a tower block fire in London.

We are of course following the incident closely and can confirm if there are any changes to guidance from our partner organisations, these will be communicated to you as soon as possible via letter.

As a resident in one of Tamworth's high rise flats, we wanted to remind you that a copy of the Riverside High Rise Flats 'Health and Safety Guide' is on Tamworth Borough Council's website.

The link is provided below. We would urge you to read through your copy as that contains details of the Councils landlord fire risk assessment procedures.

[http://www.tamworth.gov.uk/sites/default/files/housing\\_docs/Riverside-Health-and-Safety-guide.pdf](http://www.tamworth.gov.uk/sites/default/files/housing_docs/Riverside-Health-and-Safety-guide.pdf)

If you have any future questions not covered in the 'Health and Safety Guide' please do not hesitate to contact the Tenancy Sustainment Team on 01827 709491.

***If you need a copy in another format, please do let us know.***

Yours sincerely

Tenancy Sustainment Team
