

The Local Authority (Referendums) (Petitions & Directions) (England) Regulations 2011

Publication of Verification Number

Regulation 4 (1) of the above Regulations requires each Local Authority to publish a verification number which is the figure representing 5% of the number of local government electors for the authority's area in the revised register of electors having effect on the 15 February 2020. The verification number for the Borough of Tamworth is

2,969

These Regulations make provision in connection with the holding of a referendum on whether a local authority should change to a different form of governance where at least 5% of the local government electors in the authority's area petition the authority. The reason for publishing this information is for the purpose of determining the validity of petitions presented during the period 1 April 2020 to 31 March 2021.
