

List of Architects & Plan Drawers

The Borough Council has produced this list to assist persons who wish to apply for planning permission. The list is not exhaustive and is not designed to inhibit, in any way, a person's right to submit the application themselves, or to choose any other agent to act on their behalf. The choice of any person, or company, on the list is no guarantee of a favourable decision on any application submitted.

Any charges for services provided are matters between the applicant and the chosen agent. (NB the only charges made by the Borough Council in connection with the submission of planning applications submissions are as laid down in statute, details of which are available on request.)

The information provided is correct at the time of publication, and will be updated as required, however the Borough Council accept no responsibility for changes of which they have no knowledge.
